

# MOHAMMAD GILANG GILYANA

+6289527056776 | mohammadgilangg10@gmail.com | <https://www.linkedin.com/in/mohammadgilangg/>

Bandung, Indonesia

I graduated with a Bachelor's degree in Informatics from the National Institute of Technology. I have strong leadership skills and am committed to achieving the best results in every task I undertake. I learned about the basics of information technology, project management, and data analysis, and I have good communication skills and can easily adapt to new environments.
